

BUILDING WORK

Over the summer break there will be a great deal of building work taking place throughout the school.

There will be a new toilet area created in what will be the new Foundation 2 classrooms, a brand new kitchen and a dedicated library is being created in the current home economics area and the toilets in Y5 are being refurbished and expanded.

As well as this all the ceiling tiles and lighting throughout the main school building is being replaced and upgraded. There will also be minor alterations to the layout of classrooms in the new Y2 and Y3 areas to maximise the space available for teaching.

There will also be some small changes to the reception space where we will have a new waiting area.

All the work will be completed by the time the children return from their summer break so there won't be any interruption to the learning.

PINK DAY

The ladies in the kitchen would like to thank everyone who took supported the Wear it pink Day back in June which raised a grand total of £331 for this very worthy cause.

SCHOOL DINNERS

We have just received news from the council that there will be a price increase for School Dinners.

From 1st September, the price of a school meal will be £1.92 or £9.60 per week.

Could we please remind you that all dinners that have been consumed MUST be paid for within the same week. Please make sure that any dinner money is in an envelope or small container clearly marked with your child's name and class and not sent 'loose'.

SCHOOL HOLIDAYS

Just a quick reminder that school will close for the summer break on Friday 23rd July at 3.15pm.

Staff will be in for a training day on the Wednesday 1st September before **children return on Thursday 2nd September.**

FITNESS FUN DAY

Once again the Fitness Fun Day was a huge success with activities ranging from Aerobics to Rounders proving a massive hit with our pupils. Thanks to all concerned.

As well as having great fun we managed to raise £607.60 which will be used to buy additional playground equipment as well as contributing towards the new cycle shed which will be built over the summer break.

GOODBYE AND GOOD LUCK...

to teachers Mrs Miles and Mr Eddleston, Lunchtime Supervisor Mrs Feltrup and School Cleaner Mrs Shaw.

SUMMER FAYRE

Our parents group would like to say a big thank you to everyone who supported our Summer Fayre. We managed to raise £993.09 as well as everyone having a fantastic time.

We look forward to seeing you all at the Christmas Fayre which will no doubt come around before we know it!

MESSAGE FROM THE HEADTEACHER...

Once again it has been a very productive and enjoyable year and I wish to thank the whole school community for this.

The Y2 and Y6 SATs results show that once again targets have been met or exceeded! There is still work to be done in improving our writing scores and we will be needing your help and support in the new term.

Thanks to everyone for the feedback on the new Annual Reports, we are glad most of you found it more useful than the old format and we will take on board your suggestions for improvements for next year.

I would like to pass on how our teachers really appreciate your excellent turn out at the parent evenings and also for your continued support.

Transition activities have been very successful. The pupils have been reminded about expectations for the Autumn Term.

All pupils will receive an updated prospectus during the first week back however please turn over for some important reminders.

Happy Holidays!

Sheila Haigh
