EASTER SCHOOL AND BOOSTER CLASSES

Once again these important extra holiday and after school sessions were very well attended.

All the children and indeed the staff involved deserve praise for their hard work and commitment.

SUMMER IS HERE!

As the better weather is now here, could we please remind children to bring a named plastic drinks bottle which can then be refilled during the day.

Children have access to water towers, these are not water fountains so it is vital that the children bring a bottle. It is not possible to provide plastic cups.

On really sunny days we also advise parents apply sun-screen before children come to school and provide a sun hat.

UNIFORM

In order to guarantee delivery before school finishes for the Summer break, any uniform order forms need to be with the school office by Friday 28th June.

Order forms are available on our website (www.ballfield.co.uk) or from the leaflet holders just inside the main doors.

MESSAGE FROM THE HEADTEACHER...

In response to feedback I know that last year you appreciated early notice of the class organisation plan. We have now finalised our staffing plan and you can see a full list of the class moves for the next school year on the back of this newsletter.

As this half term progresses we will be focussing on transition activities to make sure the children are well prepared for September.

We have some really exciting trips and activities coming up. These couldn't happen without your voluntary contributions which make these vital additional experiences viable. Many thanks for your support.

Sheila Haigh

Please note: Breakfast club opens at 8.00am. Several children are being dropped off before that and are therefore not supervised or covered by insurance.
